Publication data: Articles published or accepted to international journals: 46
Hungarian article: 2
Book chapter: 1
cumulative impact factor: 151.0
independent citation: 752
full citations: 1106
Hirsch index: 20
szabadalom 3

Memberships: Hungarian Society for Cardiology,
International Society for Heart Research
Hungarian Laboratory Animal Science Association

Scientific activity: Students' undergraduate research works: 30 (2000-)
diploma works: 9 (2002-)
PhD conducting (year of defence):

2004 Ónody Annamária
2006 Giricz Zoltán
2011 Kedvesné Kupai Krisztina
2013 Szűcs Gergő
jelenleg Pipicz Márton társ-témavezető (2015)
Gömöri Kamilla (2016)

Educational activity:

1998- Participation in the gradual education
of the Univ of Szeged, Faculty of Medicine (Hungarian and English courses)
of the Univ of Szeged, Faculty of Dentistry (Hungarian and English courses)
of the Univ of Szeged, Faculty of Pharmacy (Hungarian and English courses)
of the Univ of Szeged, Faculty of Faculty of Health Sciences and Social Studies (Hungarian course)

2003- Participation in the Graduate School of the Univ of Szeged, Multidisciplinary Medical Sciences

Szeged, Nov, 2014.
